Implementation

At the end of our Service operations each day, the Responsible Person present at the Service will:

- check the premises outdoors and indoors to ensure that no child remains on the premises after the Service closes
- review the children’s attendance records to ensure all children who were signed in that day have been signed out
- turn off lights and air-conditioning
- shut blinds

If a child has not been signed out the Responsible Person will:

• if possible ask educators if the child was collected
• immediately conduct a search of the premises, indoors and outdoors to locate the unaccounted for child if educators are unsure whether the child has been collected
• contact the child’s parents if the child is not located to see if the child was collected without being signed out
• contact the police if the child is missing
• immediately document a missing child incident using the Incident, Injury, Trauma and Illness Record template published by the national authority ACECQA at:
• notify the regulatory authority, and DET’s Security Services (03) 95896266 of the serious incident involving missing child using the notification form SI01 Notification of Serious Incident.
